Dear Friends of Los Angeles House of Ruth,

Please join us as a sponsor for our LOTERIA OLÉ fundraiser scheduled for Saturday, Oct. 1, at St. Cyril of Jerusalem in Encino. We need your support to enable us to provide after-school programs, trips to see the doctors, school supplies, family outings, and other things for which most government funding is restricted. It is only through *non-governmental* donations without restrictions that we are able to go the extra mile for our clients, which makes a huge difference and is a key factor to our outstanding success rate.

We invite you to help make our event a success by participating as a sponsor and/or donating a product or service for the auction. 100% of the proceeds go to support our programs – and this year, like never before in recent history, our financial needs are great and we appreciate all the support you can contribute.

Please, support us by:

Making a contribution of merchandise: provide a unique experience--cook a dinner, offer a weekend home, teach a skill, take a family for a boat ride, arrange a meet and greet with a celebrity...the possibilities are endless. Or consider a cash donation or advertising on our website.

With much appreciation,

Sr. Jennifer Gaeta  
Executive Director  
Los Angeles House of Ruth

## Los Angeles House of Ruth 2022 Bingo Night and Silent Auction

Since 1978 the Los Angeles House of Ruth has provided a safe haven for homeless and battered women and their children – one of only a handful of shelters in the greater LA area to target these services toward the fastest growing segment of the U.S. homeless population. We have seen first-hand the ugliness and horror of domestic violence. Our homelike environment, on-site childcare, and comprehensive services provide women and children time to heal and empower mothers toward self-sufficiency. It takes a lot of work on their part and ours. Your contribution will help us assist homeless women and children to find a permanent home, a new life, and, above all, a beautiful and hopeful future.
